Ref: TO WHOM IT MAY CONCERN

We hereby confirm that we have had the pleasure of working with HAVERKAMP GMBH, MUNSTER, at the beginning of 2005 when they installed UNHCR Headquarters building in Geneva with anti-shatter window film.

The installation was very rapid and impeccably done, as confirmed by an independent peel test performed by an outside consultant.

This is a company which we can recommend as being extremely reliable, efficient and pleasant to deal with.
